Georges Bernanos The Diary of a Country Priest Crisis

The country priest is a timid soul, terrified by the experience of his dark night. His perceived inability to pray, his emotional weakness, and his ineffectiveness in the care of souls torment him. Yet as the book continues, one detects hints that this man has shares something with Isaiah s worm among men, one despised and rejected by men, a man of sorrows a priest whose suffering brings peace to his little flock.

Diary of a Country Priest Movie Review 1951 Roger Ebert

For the rest of the time in Robert Bresson's "The Diary of a Country Priest" (1951), the young man's face scarcely betrays an emotion. He looks solemn, withdrawn, stunned by the enormity of his job. His faith and vocation are real to him, but the parishioners in Ambricourt scorn and insult him, and tell lies about him. He is unwilling or unable to defend himself. He cannot understand the hostility. He keeps a daily journal in which he records his actions, which seem futile to him.
