ECONned: How Unenlightened Self Interest Undermined ...
I was interested in reading about "how unenlightened self interest undermined democracy and corrupted capitalism", however instead I got a book only someone with a degree in Economics could understand. There were terms and other things referenced that I didn't understand, so I had to stop reading the book after a few chapters, it was really hard to get through. Maybe I'll try reading it again in a few years.

ECONned - Wikipedia

ECONned: How Unenlightened Self Interest Undermined Democracy and Corrupted Capitalism is a 2010 non-fiction book by Yves Smith, author of the Naked Capitalism blog. The book describes how the deregulation of the financial industry and the systemic incentives for managers to "loot" limited liability companies led to the build-up and eventual collapse of the credit bubble during the 2000s.
