Handbook of Evidence-Based Critical Care | Paul Ellis ...

This updated and revised edition of the classic bedside pocket reference remains the gold standard in critical care medicine. The new edition maintains Dr. Marik's trademark humor and engaging writing style, while adding numerous references to make this book the most current and thorough treatment

Handbook of Evidence-Based Critical Care: 9781441959225 ...

This is one of the most comprehensive handbooks on critical care medicine with a strong emphasis on evidence base. The contents of this handbook cover many aspects of critical care medicine and some of the information is extremely useful for junior medical staff without prior exposure to critical care . Overall, this book should be useful for junior doctors or intensive care trainees who are starting their term in an intensive care unit. (K. M. Ho, Anaesthesia and Intensive
