the Little Soul promised again. "I will remember you! And I will thank you for bringing me this gift ~ the chance to experience myself as Who I Am." And so, the agreement was made. And the Little Soul went forth into a new lifetime, excited to be the Light, which was very special, and excited to be that part of special called Forgiveness.

Parable of The Little Soul by Neale Donald Walsch

Every soul was grand, every soul was magnificent, and every soul shone with the brilliance of MY awesome light. And so the little soul in question was as a candle in the sun. In the midst of the grandest light- of which it was a part- it could not see itself, nor experience itself as Who and What it Really Is.

The Little Soul and the Sun Rakuten Kobo

The Little Soul and the Sun is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

God's solution, with the help of another soul, is to surround the little soul with darkness, so that it can feel what being the light is like. This deceptively simple tale of self-discovery carries such a profound message that adults as well as children will read it over and over, each time learning a little more about who we really are and why we are here on earth.
