Precedent in the World Court by Mohamed Shahabuddeen

Decisions of the International Court of Justice are almost as replete with references to precedent as are decisions of a common law court. Even though previous decisions are not binding, the Court relies upon them as authoritative expressions of its views on decided points of law.

Precedent in the World Court by Mohamed Shahabuddeen ...

Precedent in the World Court by Mohamed Shahabuddeen. Although precedent in the International Court of Justice is not binding, the Court relies on its previous judgments as authoritative expressions of its views.

Precedent in the World Court - Mohamed Shahabuddeen ...

He shows the extent to which the Court is guided by its previous decisions, and discusses the way in which parties to cases are themselves guided by decisions of the Court in framing and presenting their cases. He also traces the possibilities for future development of the system. Judge Shahabuddeen's analysis of the Court is a major contribution to this important subject.
